## **DETAILED ACTION**

## Allowable Subject Matter

- 1. Claims 33, 35-41 allowed.
- 2. The following is an examiner's statement of reasons for allowance:

Regarding claims 33, 35-41, the prior art fails to disclose a dual balloon catheter comprising in combination with other limitations of the claim 33, an elongate catheter body including a single inflation lumen and a disc wherein a first balloon and a second balloon, each having a proximal portion bonded in fluid communication with the inflation lumen at the disc

Regarding claim 42, the prior art fails to disclose a dual balloon catheter comprising in combination with other limitations of the claim 42, an elongate catheter body including a single inflation lumen and a disc wherein a first balloon and a second balloon, each has a proximal portion sealingly engaged to the disc.

Regarding claims 43-45, the prior art fails to disclose a dual balloon catheter comprising in combination with other limitations of claim 42, a first balloon having a first proximal portion comprising a first proximal opening sealingly engaged within the distal end opening of the inflation lumen and a second balloon having a second proximal end comprising a second proximal opening sealingly engaged within the distal end opening of the inflation lumen.

Jiun Yan (6,013,054) discloses a first balloon and a second balloon, a first guidewire lumen and a second guidewire lumen. Jiun Yan fails to disclose a disc or proximal

Art Unit: 3773

ends of the first and second balloon attached to a distal end opening of a single inflation lumen as claimed.

Burns (5,569,201) discloses a disc for balloon catheter but fails to suggest proximal portions of first and second balloons bonded in fluid communication with the inflation lumen at the disc.

Samson et al. (4,998,923) discloses a catheter body comprising a single inflation lumen and a disc (fig. 5) but fails to disclose suggest two balloons having proximal ends as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

## Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory A. Anderson whose telephone number is (571) 270-3083. The examiner can normally be reached on Mon-Thurs 9:30am-3:00pm EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jackie Ho can be reached on (571) 272-4696. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
